## Event Info

### Technical Information

**ATTENTION:** All vehicles, drivers, and crew must meet the safety and equipment requirements of the [2024 BCCR](#). Stint maximum of 2 hours per driver with a minimum of 1 hour between stints.

All fueling is to be completed on pitlane race day.

**Race Weekend Event Info** - <https://champcar.org#race>

**Community Chat & Info:** <https://forum.champcar.org/topic/29316-2024-sebring-under-the-stars-12-hour-overnight/>

**Driver & Crew Waiver and Gear Check Agreement:** Log into your membership portal and complete the Waiver. Once that is completed, continue to the Gear Check Agreement and complete it. Once done, you can collect your event wristband and helmet decal from registration. This waiver and agreement are done once a year.

**Race Car Tech Inspection:** All teams will be required to do the On-line Tech Form.

The Team Captain will find a button link on your main login page. Three months before the race, the tab "Submit a Tech Form" will take you to an electronic form that looks just like the paper Tech Inspection form. Simply fill in all the boxes at the top, then fill in or click on the listed point value items on your car. Save the form and you are done. At the track the Tech staff will simply check the required safety items on the car. Once the Tech staff clicks save on the safety portion of your online form you will get your annual tech sticker and head to ChampCar registration.

Please verify your timing & scoring transponder and Flagtronics FT-200 serial numbers, and make certain to add your car class to the tech form.

**Flagtronics FT200 Wireless Flagging Display:**

Limited quantities of units may be available to rent. Rental fee is \$50 for the event. You may purchase your own FT200 unit at <https://flagtronics.com/champcar>

Code35 will be in use at all ChampCar events.

As ChampCar test the timing and scoring capabilities with the Flagtronics FT-200, it is imperative that your FT200 unit and the GPS is mounted within the rules and that the unit is working.

**Fire Bottle:** Teams using the ESS brand on-board fire suppression system must remove the bottle from the car and take it to the Tech Inspection area to have them weighed and inspected. This must be done at all events entered.

**Sound:** Sound readings will take place throughout the weekend. All ChampCars are required to have mufflers, and not exceed 96dBa at 50ft.

**Alcohol:** Absolutely no alcohol may be consumed in the Paddock during the day's racing events. Alcohol may be consumed 30 minutes following the completion of on-track activity for the day.

### Venue Specific Information

**Clothing:** Long pants are required on the cold and hot pit lane. No shorts! Closed toed shoes are also required.

**Test Day - ChampCar Hosted:** The cost is \$300 per car for ChampCar members. All drivers must be full members. Non-ChampCars are \$375 per car, all waivers must be signed. All drivers must be ChampCar club members which is \$75. We will make it easy to join at registration. Sign the forms, and pay the fee.

All test-day participants will visit registration to pay and complete waivers as needed. Cash or credit accepted.

All test-day cars must be properly caged, and all safety gear must be worn—**NO STREET CARS**.

**NOTE:** Testing, tuning, brake bedding, high speed accelerations or braking will be limited to the track, and not allowed in the paddock or surround public roadways. Doing so could result in event expulsion with no fees returned.

**2024 Tech Inspection:** Please complete your Web-based tech form and the car ready for safety inspection by ChampCar tech staff. Please have your number panels installed. All teams will be given new 2024 sponsor panels. They must be installed at Tech.

**Garages:** There are 65 garages. They cost \$125. Pay when you enter the race. Or, contact the event director or registration.

**Paddock Electric:** Teams/individuals/RVs that plug into power will be charged \$100 per week (Monday-Sunday) for each tap into a receptacle.

**Pitlane Electric:** Along pit wall. May be limited.

**Pitlane Speed:** 20 mph at all times.

**Paddock Speeds:** Posted or 20 mph at all times.

**Radio Frequencies:** The ChampCar radio frequencies are reserved for ChampCar official use only and must not be used by the track or teams during the event. Monitor the [Race Logs](#)

**Lighting:** The pit lane has very limited lighting and minimal pit/ paddock area lighting. Be advised that ambient lighting may not be sufficient for fueling or mechanical repairs. Therefore, teams are advised to consider alternate power and lighting sources. The use of EZ-ups on the "cold" side of the pit wall are also recommended for keeping out weather and hanging all lighting fixtures.

**Clothing:** Closed toed shoes are required on pitlane and over the wall. No shorts on the garage side of the stands. Long pants only.

The Supplemental Rules May Be Updated Without Notice.

Teams Are Advised To Check Them With Regularity And Print A Copy For Reference Prior To Coming To The Event.
