<https://champcar.org/web/rules.php>

Reading the rules is required by all CCES drivers, crew and car builders.

Event Supplementals

Event Info

Technical Information

ATTENTION: All vehicles, drivers, and crew must meet the safety and equipment requirements of the [2024 BCCR](#). Stint maximum of 2 hours per driver with a minimum of 1 hour between stints.

All fueling is to be completed on pitlane race day.

Race Weekend Event Info - <https://champcar.org#race>

Community Chat & Info: <https://forum.champcar.org/forum/24-race-events/>

Driver & Crew Waiver and Gear Check Agreement: Log into your membership portal and complete the Waiver. Once that is completed, continue to the Gear Check Agreement and complete it. Once done, you can collect your event wristband from registration. This waiver and agreement are done once a year.

Race Car Tech Inspection: All teams will be required to do the On-line Tech Form.

The Team Captain will find a button link on your main login page. Three months before the race, the tab "Submit a Tech Form" will take you to an electronic form that looks just like the paper Tech Inspection form. Simply fill in all the boxes at the top, then fill in or click on the listed point value items on your car. Save the form and you are done. At the track the Tech staff will simply check the required safety items on the car. Once the Tech staff clicks save on the safety portion of your online form you will get your annual tech sticker and head to ChampCar registration.

Please verify your timing & scoring transponder and Flagtronics FT-200 serial numbers, and make certain to add your car class to the tech form.

Flagtronics FT200 Wireless Flagging Display:

Limited quantities of units may be available to rent. Rental fee is \$50 for the event. You may purchase your own FT200 unit at <https://flagtronics.com/champcar> Code35 will be in use at all ChampCar events.

As ChampCar test the timing and scoring capabilities with the Flagtronics FT-200, it is imperative that your FT200 unit and the GPS is mounted within the rules and that the unit is working.

Fire Bottle: Teams using the ESS brand on-board fire suppression system must remove the bottle from the car and take it to the Tech Inspection area to have them weighed and inspected. This must be done at all events entered.

Sound: Sound readings will take place throughout the weekend. All ChampCars are required to have mufflers, and not exceed 96dBa at 50ft.

Alcohol: Absolutely no alcohol may be consumed in the Paddock during the day's racing events. Alcohol may be consumed 15 minutes following the completion of on-track activity for the day until 10:00PM.

Venue Specific Information

NOTE: Testing, tuning, brake bedding, high speed accelerations or braking will be limited to the track, and not allowed in the paddock or surrounding public roadways. Doing so could result in event expulsion with no fees returned.

2024 Tech Inspection: The Tech line will open on Friday at 11:00 PM and will remain open until 6:00 PM. Please complete your Web-based tech form and the car ready for safety inspection by ChampCar tech staff. Please have your Number / Sponsor panels installed. All teams will be given new 2024 sponsor panels. They must be installed at Tech.

Sound: Thompson Speedway does have sound limits for race cars. For this event we will enforce the ChampCar BCCR 96dBa at 50 feet. You will get black flagged if you exceed 96 dBa and must make the car meet the sound level before you are allowed to re-enter the track. Put a muffler or two on your race car and you should not have any issues. Thompson has sound meters that will be used along side ChampCar meters

Test & Tune Information: Test days for Champcar Endurance Series. You MUST be competing in the event following the Test Day in order to register. Any cancellations MUST be received by calling Catriona at the speedway office 860-923-2280 no later than 24 hours in advance to receive a refund. \$150 (Based on 2023) fee for the test day. <http://www.thompsons Speedway.com/reservations> Click "Test Days" Click on August 23rd on the calendar. Click test Day. Then click on "BOOK NOW".

Garages: Garage spaces are 16' wide and approximately 30' deep. Garages may be booked Online up to 2 days in advance. If it is within 2 days of an event, please call the TSMP office at 860-923-2280 in order to reserve a garage. If it is within 24 hours of the event all available stalls will be first come first serve on site the day of the event. Garages are \$75 per day. <http://www.thompsons Speedway.com/reservations> Garage rental check-in is available at the Guest Registration building at the main entrance upon arrival. You will receive a sticker that must be displayed on your windshield for garage access. Cancellations must be made at least two days before the event in order to receive a refund. Fueling is not permitted in the garage area at any time. All fuel cans must be left outside the garage at all times – regardless of whether full or not.

Bridge: The lights on either side of the bridge allowing ingress and egress to the paddock are on a timer. The lights will change approximately every 90 seconds, and must be obeyed.

Paddock Flow: The traffic flow in the paddock is counterclockwise. In other words, when traveling in the garage area the building should stay to the driver's left. In addition, cords may not run across the travel lane during on-track activity. Cords being run while the track is cold must be covered by a yellow jacket cable protector.

The Supplemental Rules May Be Updated Without Notice.

Teams Are Advised To Check Them With Regularity And Print A Copy For Reference Prior To Coming To The Event.
