Event Info

Technical Information

Race Car Tech Inspection: All teams will be required to do the On-line Tech Form.

The Team Captain will find a button link on your main login page. Three months before the race, the tab "Submit a Tech Form" will take you to an electronic form that looks just like the paper Tech Inspection form. Simply fill in all the boxes at the top, then fill in or click on the listed point value items on your car. Save the form and you are done. At the track the Tech staff will simply check the required safety items on the car. Once the Tech staff clicks save on the safety portion of your online form you will get your annual tech sticker and head to ChampCar registration.

Speedwaiver: New for 2022. More info soon.

Racing Gear Self Inspection: Gear inspection, use, and maintenance is each members personal responsibility. Members are required to annually inspect all personal safety gear and confirm it meets ChampCar minimum requirements. By accepting a member's annual gear check, neither ChampCar, nor its directors, officers, sponsors, staff, and/or officials, ensure, certify, or warrant that the gear fully complies with all ChampCar rules, or will prevent bodily injury, death, or other harm (including, monetary damages). ChampCar expressly disclaims all consequential damages, regardless the cause.

Drivers will not be allowed on track without the proper gear per the BCCR. Spot checks on pit lane may be conducted along with pit out.

ChampCar Officials will be available at tech inspection to assist members with gear inspection.

Flagtronics FT200 Wireless Flagging Display:

This information is subject to change.

Required June 1, 2022 per the BCCR. The system will be working at this event. Limited quantities of units may be available to rent.

Fire Bottle: Teams using the ESS brand on-board fire suppression system must remove the bottle from the car and take it to the Tech Inspection area to have them weighed and inspected. This must be done at all events entered.

Lights: Have all lights installed and working for tech inspection. Lights are required for this race event and must be installed and turned on at 5pm race day.

Venue Specific Information

Test & Tune Information: None.

Paddock: ChampCar will be using the VIR South Paddock.

Paddock Electric: Very limited, and it has not always worked in the past. Bring generators if power is needed. The paddock gets VERY dark.

Pitlane Electric: None. Bring generators.

Pit Lane Heaters: Heaters on pit lane are not allowed.

Lighting: The pit lane is not lit. Be advised that ambient lighting may not be sufficient for fueling or mechanical repairs. Therefore, teams are advised to consider alternate power and lighting sources. The use of EZ-ups on the "cold" side of the pit wall are also recommended for keeping out weather and hanging all lighting fixtures.
