Event Info

Technical Information

Race Car Tech Inspection: All teams will be required to do the On-line Tech Form.

The Team Captain will find a button link on your main login page. Three months before the race, the tab "Submit a Tech Form" will take you to an electronic form that looks just like the paper Tech Inspection form. Simply fill in all the boxes at the top, then fill in or click on the listed point value items on your car. Save the form and you are done. At the track the Tech staff will simply check the required safety items on the car. Once the Tech staff clicks save on the safety portion of your online form you will get your annual tech sticker and head to ChampCar registration.

Flagtronics FT200 Wireless Flagging Display:

This information is subject to change.

Required starting June 1, 2022 per the BCCR. Limited quantities of units may be available to rent.

Fire Bottle: Teams using the ESS brand on-board fire suppression system must remove the bottle from the car and take it to the Tech Inspection area to have them weighed and inspected. This must be done at all events entered.

Lights: Lights for this event are not required, but should be available in case of inclement weather racing.

Sound: Sound readings will take place throughout the weekend. All ChampCars are required to have mufflers, and not exceed 96dBa at 50ft. Sound measuring is drivers left.

Venue Specific Information

Clothing Requirements: Long pants and closed toed shoes are required on the cold and hot pit lane. No shorts or sandals. No matter the weather. This will be strictly enforced.

Track Damage Fees:

Guard Rails: \$875.00 per 25 per foot section.

Tire Walls: \$30 per linear foot

Fencing: \$35 per linear foot

Asphalt: Will be determined after the event.

Quiet Time: No racing or unmuffled engines may be run between 6:00pm and 8:00am, and 12pm and 1pm race days.

Paddock Speed Limit: 10mph

Pitlane Speed Limit: 20mph

Minibikes, Dirt Bikes and Four Wheelers: The use of unlicensed vehicles such as minibikes, four-wheelers and dirt bikes shall be restricted to their use as service vehicles for competitors and shall only be used in the paddock area. Only licensed drivers shall use such vehicles. Children are specifically forbidden to ride such vehicles in the paddock or in any of the public areas. Autobahn Circuit reserves the right to further restrict the use of these vehicles if, in the sole discretion of Autobahn Circuit, such use is in any way a danger or annoyance to other persons. No vehicles shall be ridden or driven by any person who is under the influence of alcohol or drugs. Autobahn Circuit reserves the right to remove any person who is in violation of this rule from the premises for the duration of the Event and to forbid their attendance at future events.

Waiver and Wristbands: Only the team captain needs to check in at registration to receive driver and crew credentials. More information will be available as we get closer to the event.

Pitlane Access: The pitlane area gate is locked at the conclusion of the days race event. Please plan accordingly.

Pitlane Electric: Electrical hookups are limited along pitlane.

Lighting: The paddock has minimal area lighting. Be advised that ambient lighting may not be sufficient for mechanical repairs. Therefore, teams are advised to consider alternate power and lighting sources. The use of EZ-ups on the "cold" side of the pit wall are also recommended for keeping out weather and hanging all lighting fixtures.
