Event Info

Race Car Tech Inspection: All teams will be required to do the On-line Tech Form.

The Team Captain will find a button link on your main login page. Three months before the race, the tab "Submit a Tech Form" will take you to an electronic form that looks just like the paper Tech Inspection form. Simply fill in all the boxes at the top, then fill in or click on the listed point value items on your car. Save the form and you are done. At the track the Tech staff will simply check the required safety items on the car. Once the Tech staff clicks save on the safety portion of your online form you will get your annual tech sticker and head to ChampCar registration.

Sound limits: 96 dBA at 50 feet / 15 meters

Test & Tune Information: Run by ASE Lapping Club. See the application on the last page. email- carl@perryautolaval.com for more information. Cost to participate in the test day is separate from the ChampCar event entry.

Quiet Hours: Observe QUIET HOURS from 10:00 pm to 8:00 am. Please turn off all music and generators during this time.

Paddock Rules: Jacks, jackstands, and car lifts must use plywood or plate under them to protect the paddock pavement. Waste oil and fluids dump is located near the paddock washrooms. Speed limit 20 km/h at all times in the paddock.

Lighting: There is no lighting in the paddock. Be advised that ambient lighting may not be sufficient for fueling or mechanical repairs. Therefore, teams are advised to consider alternate power and lighting sources. The use of EZ-ups on the "cold" side of the pit wall are also recommended for keeping out weather and hanging all lighting fixtures.

Pit Passes: Teams are advised that all team members, family, and guests who desire Pit Lane access MUST purchase a Weekend Membership Pass through ChampCar at the track. ChampCar members can obtain a free pit pass by showing their membership card.

Pets: Dogs must be kept on a leash at all times and you must clean up after them. Pets are not allowed on pit road.

Children: Children under 16 are not allowed on pit road. Children must be under adult supervision at all times.

Camping: Self-contained camping is allowed in the paddock. Small camp fires are permitted unless there is a fire ban in effect.

The Supplemental Rules May Be Updated Without Notice.

Teams Are Advised To Check Them With Regularity And Print A Copy For Reference Prior To Coming To The Event.

Decal Installation & Location Instructions

The following examples are approved installation locations for the required decal package.

Sponsor and number panels must be attached between the arrows as shown. Sponsors may be cut out of the white panel, but MUST remain in the same order and be applied in the vertical style as shown. You must plan your graphic style around the number/sponsor panel placement. Per the BCCR numbers on all number panels shall be black and at minimum 8.0" tall. Fonts shall be a minimum of 1.0" wide (brush stroke) and a maximum of 1.5" wide.

The TIRERACK windshield banner is required at the top of the window. The background is optional. Per the BCCR, do not use white, orange, or yellow backgrounds. TIRERACK letters must be white. Cars without front windshields must have the decal at the top of the hood. The letters can be arranged to the curvature of the window. Team sponsor decals may go below the TireRack decal.

The roof number panel must be mounted as shown. If your car does not have a roof, you may attach the number panel to the hood as show. Per the BCCR numbers on all number panels shall be black and at minimum 8.0" tall. Fonts shall be a minimum of 1.0" wide (brush stroke) and a maximum of 1.5" wide.

Class/Number bumper decal must be attached to the rear of the car as shown between the arrows.

All of the decals shown on the left image must be applied to your ChampCar before you tech the car, and start the race event. The window banner MAY be replaced with the ChampCar supplied white die cut decal. Any missing decals can delay the start of your race.

ChampCar Tech will have a limited number of blank number panels for sale along with free sponsor panels, TireRack window die cut banners, class letter, and blank rear bumper class decals.

The number panel design will allow you to remove the top and lower Sponsor/ChampCar sections if you race with other sanctioning bodies. Just visit tech when you return to ChampCar to get new upper and lower sections of the number panel for free.
