## *Event Info*

### Technical Information

**Race Car Tech Inspection:** All teams will be required to do the Electronic Tech Form.

**Flagtronics FT200 Wireless Flagging Display:**  
**This information is subject to change.**

Required June 1, 2022 per the BCCR. Limited quantities of units may be available to rent. Order from <https://flagtronics.com/apps/bundles/bundle/71504>

**Fire Bottle:** Teams using the ESS brand on-board fire suppression system must remove the bottle from the car and take it to the Tech Inspection area to have them weighed and inspected. This must be done at all events entered.

### CLOTHING REQUIREMENTS

**Clothing:** Long pants are required on the cold and hot pit lane. No shorts!

### Venue Specific Information

**Paddock & Pit lane Electric:** Sebring Gate Fee: Sebring charges a \$20 fee for all vehicles. Our advice is that you have a \$20 bill in your hand when you enter. They use this to offset electric and plumbing usage. Electrical hookups are along the pit wall and in the garages.

**Lighting:** The pit lane has very limited lighting and minimal pit/ paddock area lighting. Be advised that ambient lighting may not be sufficient for fueling or mechanical repairs. Therefore, teams are advised to consider alternate power and lighting sources. The use of EZ-ups on the “cold” side of the pit wall are also recommended for keeping out weather and hanging all lighting fixtures.

**Pets:** They are welcome on property, but must be kept on a leash. Owners are responsible for cleaning up after their pets and must dispose of their waste properly.

**Children:** No children under-18 allowed on pit road.

**Camping:** Self-contained RV camping is allowed Thursday, Friday & Saturday night. Must be out of the paddock by Sunday night.

**Camping / Camper Hookups:** None

**Barbecues:** BBQ's are allowed in the camping area only, provided all BBQ's are supervised at all times, a fire extinguisher is within 15' of the open flame, and all open flames are (at a minimum) 20' from all race cars, fuel storage or other flammable sources.
