Event Info

Technical Information

Driver & Crew: Waiver and Gear Check Agreement: Log into your membership portal and complete the Waiver. Once that is completed, continue to the Gear Check Agreement and complete it. Once done, you can collect your event wristband and helmet decal from registration. This waiver and agreement are done once a year.

Race Car Tech Inspection: All teams will be required to do the On-line Tech Form.
The Team Captain will find a button link on your main login page. Three months before the race, the tab "Submit a Tech Form" will take you to an electronic form that looks just like the paper Tech Inspection form. Simply fill in all the boxes at the top, then fill in or click on the listed point value items on your car. Save the form and you are done. At the track the Tech staff will simply check the required safety items on the car. Once the Tech staff clicks save on the safety portion of your online form you will get your annual tech sticker and head to ChampCar registration.
Please verify your timing & scoring transponder and Flagtronics serial numbers, and make certain to add your car class to the tech form.

Flagtronics FT200 Wireless Flagging Display:
This information is subject to change.

Required starting June 1, 2022 per the BCCR. Limited quantities of units may be available to rent. Rental fee is \$50 for the event. Limited quantities available at registration. You may purchase your own FT200 unit at <https://flagtronics.com/champcar>

Fire Bottle: Teams using the ESS brand on-board fire suppression system must remove the bottle from the car and take it to the Tech Inspection area to have them weighed and inspected. This must be done at all events entered.

Sound: Sound readings will take place throughout the weekend. All ChampCars are required to have mufflers, and not exceed 96dBa at 50ft. See next column for more details.
