Flagtronics FT-200 Firmware Version - v.0.7.0.0

Sponsored:

DiscoveryParts, your ChampCar class B sponsor, will have their support vehicle at this event. Please complete all will-call orders by Monday, January 29, noon EST.

DiscoveryParts has their headquarters less than an hour from Road Atlanta inside Atlanta Motorsports Park for an even larger selection of all needed race gear. www.discoveryparts.com 706-344-1235

Download and read the ChampCar Endurance Series BCCR:

<https://champcar.org/web/rules.php>

Reading the rules is required by all CCES drivers, crew and car builders.

Event Supplementals

Event Info

Technical Information

ATTENTION: All vehicles, drivers, and crew must meet the safety and equipment requirements of the [2024 BCCR](#). Stint maximum of 2 hours per driver with a minimum of 1 hour between stints.

All fueling is to be completed on pitlane race day.

Race Weekend Event Info - <https://champcar.org#race>

Community Chat & Info: <https://forum.champcar.org/topic/28752-2024-road-atlanta-14-hour-test/>

Driver & Crew Waiver and Gear Check Agreement: Log into your membership portal and complete the Waiver. Once that is completed, continue to the Gear Check Agreement and complete it. Once done, you can collect your event wristband and helmet decal from registration. This waiver and agreement are done once a year.

Race Car Tech Inspection: All teams will be required to do the On-line Tech Form.

The Team Captain will find a button link on your main login page. Three months before the race, the tab "Submit a Tech Form" will take you to an electronic form that looks just like the paper Tech Inspection form. Simply fill in all the boxes at the top, then fill in or click on the listed point value items on your car. Save the form and you are done. At the track the Tech staff will simply check the required safety items on the car. Once the Tech staff clicks save on the safety portion of your online form you will get your annual tech sticker and head to ChampCar registration.

Please verify your timing & scoring transponder and Flagtronics FT-200 serial numbers, and make certain to add your car class to the tech form.

Flagtronics FT200 Wireless Flagging Display:

Limited quantities of units may be available to rent. Rental fee is \$50 for the event. You may purchase your own FT200 unit at <https://flagtronics.com/champcar>

Code35 will be in use at all ChampCar events.

As ChampCar test the timing and scoring capabilities with the Flagtronics FT-200, it is imperative that your FT200 unit and the GPS is mounted within the rules and that the unit is working.

Fire Bottle: Teams using the ESS brand on-board fire suppression system must remove the bottle from the car and take it to the Tech Inspection area to have them weighed and inspected. This must be done at all events entered.

Sound: Sound readings will take place throughout the weekend. All ChampCars are required to have mufflers, and not exceed 96dBA at 50ft.

Alcohol: Absolutely no alcohol may be consumed in the Paddock during the day's racing events. Alcohol may be consumed 30 minutes following the completion of on-track activity for the day.

Venue Specific Information

NOTE: Testing, tuning, brake bedding, high speed accelerations or braking will be limited to the track, and not allowed in the paddock or surround public roadways. Doing so could result in event expulsion with no fees returned.

2024 Tech Inspection: The Tech line will open on Thursday at 6 PM and will remain open until 10 PM. Please complete your Web-based tech form and the car ready for safety inspection by ChampCar tech staff. Please have your number panels installed. All teams will be given new 2024 sponsor panels. They must be installed at Tech.

Test & Tune Information: Friday, free to all registered cars. Non-Registered cars will be charged \$250. All drivers and passengers must be full members. Contact jackie.sides@champcar.org to get more information. Full caged, no street cars. See schedule on the 1st page for session times. Passengers allowed with the same safety gear as the driver during morning session. Pitlane speed for the test and tune is 20 MPH. Track damage fees apply to this event.

Paddock: ChampCar will be using the Club Paddock.

Paddock Electric: Very limited, and it has not always worked in the past. Bring generators if power is needed. The paddock gets VERY dark.

Pitlane Electric & Heaters: None. Bring generators. Heaters on pit lane are not allowed.

Pitlane Speed: 20 mph at all times.

Radio Frequencies: The ChampCar radio frequencies are reserved for ChampCar official use only and must not be used by the track or teams during the event. Monitor the [Race Logs](#)

Lighting: The pit lane has very limited lighting and minimal pit/ paddock area lighting. Be advised that ambient lighting may not be sufficient for fueling or mechanical repairs. Therefore, teams are advised to consider alternate power and lighting sources. The use of EZ-ups on the "cold" side of the pit wall are also recommended for keeping out weather and hanging all lighting fixtures.

Pavement and Wastes: Per Road Atlanta policy: Do not drive stakes into the pavement. Always use wood blocks or metal plates to prevent pavement damage from jacks and jack stands. Do not spill oil, coolant, or fuel onto pavement or ground. Receptacles for waste oil and for coolant are available in the tech shed. Please make provision for removing from the premises any used tires, fuel, brake fluid, solvents, hazardous waste products, and batteries. If you do have an accidental spill, please contact any ChampCar official.

Event Supplementals

Event Info

Clothing: Closed toed shoes are required on pitlane and over the wall.

Guest & Pit Passes: All people that go over the pit wall must be full ChampCar Club Members.

Guests may purchase a weekend membership to ChampCar at the front gate for \$20. This will give you paddock and cold pit lane access. 16 and under free with parent or guardian. Children under 18 are not allowed on the cold or hot pit lane.

Pets: They are welcome on property, but must be kept on a leash. Owners are responsible for cleaning up after their pets and must dispose of their waste properly. Pets are not allowed in the cold pits.

Children: No children under-18 allowed on pit road. All minor drivers and crew must complete the ChampCar and Venue minor waivers. See race director for more info.

Camping: Self-contained RV camping is allowed Thursday, Friday & Saturday night. Must be out by 11am Sunday.

Camping / Camper Hookups: There are no hookups, and only one or two power pole hookups. These get taken fast so bring a generator.

Barbecues: BBQ's are allowed in the camping area only, provided all BBQ's are supervised at all times, a fire extinguisher is within 15' of the open flame, and all open flames are (at a minimum) 20' from all race cars, fuel storage or other flammable sources.

Restroom / Showers: Yes. / Yes. Located across from the Race Control Tower.

Gate: 24-hour gate coverage.

Concessions: Open Saturday. The Paddock Grille is located at the top of the outer paddock.

Fuel on site: Credit card pumps available in the Club Paddock. The VP Racing Fuels gas station dispenses 93 unleaded, C9 (96 unleaded), and 110 leaded during both public and private track rentals. The fuel station is also dispensing C10 non-ethanol 100 octane fuel.

Drones: Unmanned aircraft systems and drones are prohibited at ChampCar Endurance events at all times.

Other Restrictions: Per Road Atlanta policy: There is a strict 5 MPH speed limit on all personal ATVs, bicycles, MoPeds, or other personal transportation devices at all times. No glass containers are allowed on the property. Skateboards, passenger-carrying wagons and skates are prohibited in the paddock, pit and grid areas. The operation of any vehicle by persons not holding a valid State Operator's Permit is prohibited. Road Atlanta policies that may not be known at

the writing of these Event Supplements will supersede any rules stated here.
