## Event Info

### Technical Information

**ATTENTION:** All vehicles, drivers, and crew must meet the safety and equipment requirements of the [2025 BCCR](#). Stint maximum of 2 hours per driver with a minimum of 1 hour between stints. All fueling is to be completed on pitlane race day. Absolutely no fueling in the garages. Do not store fuel in the garages.

**Race Weekend Event Info:** <https://champcar.org#race>

**Community Chat & Info:** <https://forum.champcar.org/topic/29707-2025-the-fast-parts-grand-prix-at-mid-ohio-presented-by-partsbadger/>

**Driver & Crew Waiver and Gear Check Agreement:** Log into your membership portal and complete the Waiver. Once that is completed, continue to the Gear Check Agreement and complete it. Once done, you can collect your event wristband from registration. This waiver and agreement are done once a year.

**Race Car Tech Inspection:** All teams will be required to do the On-line Tech Form.

The Team Captain will find a button link on your main login page. Three months before the race, the tab "Submit a Tech Form" will take you to an electronic form that looks just like the paper Tech Inspection form. Simply fill in all the boxes at the top, then fill in or click on the listed point value items on your car. Save the form and you are done. At the track the Tech staff will simply check the required safety items on the car. Once the Tech staff clicks save on the safety portion of your online form you will get your annual tech sticker and head to ChampCar registration.

Please verify your timing & scoring transponder and Flagtronics FT-200 serial numbers, and make certain to add your car class to the tech form.

**Flagtronics FT200 Wireless Flagging Display:**

Limited quantities of units may be available to rent. Rental fee is \$50 for the event. You may purchase your own FT200 unit at <https://flagtronics.com/champcar>

Code35 will be in use at all ChampCar events.

As ChampCar test the timing and scoring capabilities with the Flagtronics FT-200, it is imperative that your FT200 unit and the GPS is mounted within the rules and that the unit is working.

**Sound:** Sound readings will take place throughout the weekend. All ChampCars are required to have mufflers, and not exceed 96dBA at 50ft.

**Alcohol:** Absolutely no alcohol may be consumed in the during the day's racing events.
