The following examples are approved installation locations for the required decal package.

Contact [media@champcar.org](mailto:media@champcar.org) with decal location questions.

Convertibles and topless cars only. May face forward or toward drivers right like on the roof.

To order decals, visit  
RVA Graphics & Wraps  
<https://www.rvagfxstore.com>

Only official ChampCar Decals  
will be allowed through tech.  
Do not print your own.

Official decal locations and order  
are required and are not a  
suggestion.

You will not be allowed to enter  
the track until decals are in the  
required locations.

Maxxis tire contingency decal on left and right side front fenders.  
**NOT needed if you are not using Maxxis VR-1 Tires.**  
Available at Event Tech Inspection.

Place sponsor and number panel as shown between arrows.  
They **MUST** be displayed as in the image above. You may cut out the sponsor decals, but they must remain in the vertical alignment, and be in the same order. Failure to do so could keep your team from starting the race until they are fixed. 2020 requires that you add the Bell helmet decal below the Frozen Rotor decal. Bell decals will be available at tech.

Windshield banner is required at the top  
of the window. The background is  
optional. Per the BCCR, do not use  
white, orange, or yellow backgrounds.  
Cars without front windshields must  
have the decal at the top of the hood.  
The letters can be arranged to the  
curvature of the window.  
Team sponsor decals may go below  
the TireRack decal.

Additional event specific decals may  
be required at certain events.  
Instruction on placement of those  
decals will be available at the event  
and in the ChampCar Event  
Supplements. Most likely place for the  
decals will be above the class letter on  
the doors.

If you have a custom wrap, please  
make arrangements for the required  
ChampCar decals in your design.

The number panel design will allow you  
to remove the top and lower  
Sponsor/ChampCar sections if you race  
with other sanctioning bodies. Just visit  
tech when you return to ChampCar to  
get new upper and lower sections of  
the number panel for free.

Replacements available at  
Tech & Registration on race weekends.  
Limited quantities available.
