Tech: Post Impound Report

The following will be posted on the ChampCar Webpage following the event.

Date: 5/20/23	Car Number: 998
Event: Hallett Motor Racing Circuit	Team Name: Wheels America Racing
Event Director: Chelsey Vickery	Team Captain: Bob Stretch
Tech Inspector: David Kicak	

Protest Details:

Car #998 2001 Mazda Miata protested for total fuel capacity.

Tech Inspector / Event Director Final Findings:

Fuel tank pump out was performed. The team emptied the tank completely by fuel pump, the tank was then filled back up using pre-measured fuel jugs approved by protestor and officials.

In our final findings, car 998 was in compliance with rule (9.10.2) and the 14.7 gallon requirement for the 2001 Miata. The protest was denied.
