Enclosed in this packet is the information required to enroll in the 2025 Nissan Motorsports Racer Contingency Award Program. Any team or driver competing in an eligible Nissan vehicle who signs up for this program will be able to purchase discounted parts at Dealer Net pricing. Additionally, if you are competing in select race series or events, you may be eligible for contingency award payouts (see attached program rules). The program offers not only award payouts for top podium finishes but, also, advantages when purchasing parts.

The following pages describe the registration process, enrollment guidelines, parts purchasing program guidelines, contact information, forms necessary to complete the registration/payout process, listings of eligible race series/events for contingency payout, and visual identity requirements.

Please email the Motorsports office at nmc.race@nissan-usa.com with any questions.

2025 Racer Contingency Program

To be eligible for the 2025 Nissan Contingency Program, the following guidelines must be adhered to and compliant with all applicable competition rules and regulations in effect at the time of the event.

Visual Identity Requirements

Towards the back of this packet, please see the Visual Identity Guidelines required for program eligibility. To summarize:

- Each competitor must display the official, current NISSAN/NISMO die-cut logos as supplied by Nissan Motorsports. Logos are either black, white or red. These colors are the only approved colors for competitors.
- NISSAN/NISMO double stack logo, or either logo after cutting, must be prominently shown on the front bumper/spoiler/air-dam, the leading edge of the hood, or the top of the hood.
- NISSAN/NISMO double stack logo or either logo after cutting, must appear on the front/rear fenders, doors, or mirrors (if the vehicle is equipped.)
- Please see the registration form to request die-cut logos from Nissan Motorsports. These logos may be cut to fit.
- Usage of old logos and slogans, such as, but not limited to, 'Datsun' or "Enjoy the Ride" are not approved under this contingency program.
- Driving suits must display the NISSAN wordmark logo on the upper chest area. Size and font must meet the Visual Identity guidelines. Nissan Motorsports can supply patches with the NISSAN/NISMO double stack logo or custom embroidery if required.
- Logo requirements will be enforced.
- **It is important that all registered Nissan racers adhere to the visual identity guidelines in order to meet the 2025 Contingency Program guidelines and be eligible for payout.**

Parts Program for Approved Nissan Racers

A great benefit of the 2025 Nissan Contingency Program is the opportunity to purchase Nissan OEM & NISMO parts at discounted pricing. Special parts pricing is available for approved racers and Nissan OEM & NISMO parts can be ordered directly from Nissan Motorsports. Once approved, you can email Nissan Motorsports directly and receive price quotes on your required parts.

To streamline the parts ordering process, racers are encouraged to place credit card information on file with Nissan Motorsports. Your card will be charged at the time the order is processed. If you would like to do this, please email Nissan Motorsports at nmc.race@nissan-usa.com. A Nissan Motorsports representative will call for your credit card information as soon as possible.

This program benefit requires conformance of all 2025 Nissan Contingency Program guidelines which includes display of all current NISSAN and NISMO logos on the vehicle and race suit.

Parts purchased through the program are not for resale and intended for the sole use of Nissan racers for their race and support vehicles.

Ordering Parts
